## **Information on legal issues regarding the CRYSTAL CLEAR COMPUTING logo**

The CRYSTAL CLEAR COMPUTING logo is property of CRYSTAL CLEAR COMPUTING and is protected by the law of copyright. Using it is permitted only under these specific terms:

1. The CRYSTAL CLEAR COMPUTING logo can only be used as direct link to the home page of the CRYSTAL CLEAR COMPUTING website ([www.cccomputing.ie](http://www.cccomputing.ie)) and for no other purpose. We deliberately state that the CRYSTAL CLEAR COMPUTING Logo cannot be used as link between the pages of another website without the prior written consent of CRYSTAL CLEAR COMPUTING. Also, the Logo cannot be used as link between the Internet pages of a different company. Delivery of the CRYSTAL CLEAR COMPUTING Logo to other persons of corporations is prohibited.
2. The CRYSTAL CLEAR COMPUTING Logo cannot be modified in any way - including proportions, colors, constituent elements - and cannot be subject to any transformation, animation or any other processes.
3. The CRYSTAL CLEAR COMPUTING Logo cannot be used on websites that discredit the CRYSTAL CLEAR COMPUTING name or that of CRYSTAL CLEAR COMPUTING products or services, infringe upon intellectual property or other CRYSTAL CLEAR COMPUTING rights, or violate the laws in force in Ireland or in other states. The CRYSTAL CLEAR COMPUTING Logo cannot be used in association with material or information that is immoral, unethical or remote from "common sense" or moral values promoted by CRYSTAL CLEAR COMPUTING.
4. The CRYSTAL CLEAR COMPUTING Logo can only be used in a trustworthy manner and can only be associated with credible and verifiable information. The CRYSTAL CLEAR COMPUTING Logo cannot be used to imply relationships with CRYSTAL CLEAR COMPUTING or approvals or sponsorships with no legal bases.
5. CRYSTAL CLEAR COMPUTING reserves the right to approve or disapprove any use of the CRYSTAL CLEAR COMPUTING Logo to ensure its correct use, in accordance with CRYSTAL CLEAR COMPUTING's policy.
6. The pages where the CRYSTAL CLEAR COMPUTING Logo is used (with complete fulfillment of the above mentioned rules and regulations) must include direct links to information on legal terms for use of all logos included in the respective pages (terms similar to the ones included herein).
7. The CRYSTAL CLEAR COMPUTING Logo cannot be shown in a larger size than the Logo of the company owning the "host" website and also not in a small size, such as constituent elements lose their identity, as well as in places little visible on a web page: in areas next to down side edges of the web page.
